Dear Bob,

As I write this I realize I have many reasons to thank you. First, thank you for choosing the Emerson as a home away from home for the upcoming wedding you're attending and thank you for the amazing job you did for us, which saved us a great deal of money and time by not having to order new furniture.

I am so pleased with the work of Northern Lights Restoration. You and your daughter were professional, timely and a pleasure to work with and there was never a time that you said you couldn't do something extra for us. The furniture and woodwork in our rooms and common spaces look great. Our guests are happy and I'm happy! Please feel free to use me as a reference – I'm looking forward to highly recommending you.

Best regards,
