All of us at the West Baden Springs Hotel and French Lick Resort appreciate the relationship we've built with Bob and his team. The quality of the refinishing work they've done in our guest rooms and public spaces has been exemplary.

Having worked with Bob, I can highly recommend him and his team to any historic property. If anyone wants more detail on the outstanding work they've done for us, please contact me at smackinnon@frenchlick.com.

Best regards,
